

Welcome to Burnham Joggers Athletic Club

You are invited to run with us for approximately one month, giving you time to enjoy our company before making a commitment to full membership.

The membership year is effective from 1st April to 31st March and the fees are:

| | |
|--------------------------------|--------|
| Individual | £20.00 |
| Individual under 18 | nil |
| Second Claim | £10.00 |
| Social* | £10.00 |
| England Athletics Registration | £10.00 |

If you wish to enter external races as a Burnham Jogger you will need to register with England Athletics. As this registration fee is out of our club's control, we have decided to separate this from our own membership subscription.

Should you join after the 1st April the subscriptions will be as follows:

- Full rate until end of September.
- 1st October until 28th February a 50% rate will be charged.
- From 1st March membership will be free up to 31st March.

Should you have any questions regarding membership, please contact the membership secretary.

E-mail: membership@burnhamjoggers.org.uk

*Social membership is offered to those who do not attend club evenings and will not enter races other than the Summer 5K series or the clubs' internal events.
