BURNHAM JOGGERS

BUSINESS MEETING - 13.12.90

(full version available)

There were 11 persons in attendance, with 4 apologies for absence.

- 1) **Cliveden Cross Country - Sunday 30 December** - Bob Lewer reported that entries are now in excess of 300 and the maximum of 400 should be reached very shortly. The course will be very much as last year, with some re-routing at the start and finish to protect the grass. A working party will be carrying out clearance work on the course on Saturday 15 December.

Volunteers required to help on the day - see Bob Lewer

2. **Cherry Orchard** - a letter has been received from Burnham Parish Council stating that we should be prepared to raise £46,500 for a clubroom if called upon to do so by the Parish Council. Discussion took place on possible sources of funding.
3. **London Marathon Entries** - proposals were put forward regarding the allocation of the two London Marathon places awarded to the club. After much discussion a proposal was carried that places should be allocated by ballot (to be eligible one must be a genuine 'reject' and a fully paid up member of at least one year's standing).
4. **Sunday Times Fun Run Certificates** have not yet been awarded as we have not had a Social since their receipt - they will be distributed at the earliest opportunity.
5. **Junior Joggers** - the race planned for Saturday 15 December has now been postponed until a Sunday in January.
6. **Chiltern League Cross Country** - it was felt that a competitive spirit should be fostered at all times and that we should make every attempt to reach the First Division - even if it might mean relegation next season!

The lack of privacy and general condition of the Ladies Changing Room is still causing a lot of concern. Our representative on the Haymill Users Committee is to be given full details of the problems experienced.

It was reported that yet again club members have been racing using another's number. Such practice is strictly against club policy.

Today's Runner Cross Country League - more ladies are needed to take part in races - all abilities very welcome.

Praise was given to all who helped organise and marshal the Burnham Beeches Cross Country last weekend.

The meeting closed at 9.40 p.m.

Dear Dr. Yeadon,

Thank you for your letter dated 1st December, 1990 which is most helpful.

Our architect considers that the clubroom proposed in the plans for the changing room would cost £46,500. It might be prudent for your Committee to resolve to raise such a sum should you be called upon by the Parish Council to fund the clubroom.

The next General Purposes Committee Meeting will take place on 28th January, 1991. By that time we will know the Planning Officer's views on the proposed pavilion/changing room and the Council will have resolved the future expenditure for the site. Hopefully, sufficient progress will have been made before the 28th in order a constructive Meeting between representatives of your Club and the Council can take place.

Should you wish to discuss this matter further on the telephone, please do not hesitate to call me.

Yours sincerely,

John Nobes,
Clerk of the Council

17th CENTURY JOGGER'S PRAYER

Word Thou knowest better than I know myself, that I am growing older and will some day be slow. Keep me from the fatal habit of thinking I must say something on every subject and on every occasion. Release me from craving to straighten out everybody's affairs. Make me thoughtful, but not moody (Malcolm); helpful but not bossy. With my vast store of wisdom, it seems a pity not to use it all, but Thou knowest Word that I want a few friends at the end.

Keep my mind free from the recital of endless details from *RUNNING MAGAZINE*; give me wings to get to the finish. Seal my lips on my aches, pains, and injuries. They are increasing, and love of rehearsing them is becoming sweeter as the years go by. I dare not ask for grace enough to enjoy the tales of others' pains, but help me to endure them with the same patience as has been shown to me.

I dare not ask for improved times, but for a growing humility and a lessening cocksureness when my times seem to clash with the memories of others. Teach me the glorious lesson that occasionally I may be mistaken!

Keep me reasonably fleet; I do not want to be one of the Elite — some of them are so hard to live with — but a slow old Jogger is one of the crowning works of the Devil. Give me the ability to see the potholes in unexpected places, and an annual place in the London Marathon. And give me, O Word, the grace to pay my Subs before Christmas of each year.
