

FEET STREET NEWS REVIVAL NO. 8.

MID MARCH 1991.

Jogging is good for you. A few miles a week, a balanced diet and no smoking leads to a healthy life. You may get caught up in the general enthusiasm and become one of the more competitive runners. Jogging easily through the Beeches, enjoying the scenery and a chat, or eyeballs out and all systems go brings satisfaction in different ways. Our club caters for all, and on Easter Monday we shall be inviting the Burnham Villagers and the rest of the world along to see us in action. So we may be able to get the message over to a few people.

Whatever your own running preferences, there will be something for you on the day. Fancy a steady 10k? A blasting mile, or a little of each? Perhaps you just want to help. There are millions of jobs. Ask Bob Green.

Bob Lewer.

When Tillie Ate the Chili

When Tillie ate the chili,
she erupted from her seat,
she gulped a quart of water,
and fled screaming down the street,
she coughed, she wheezed, she sputtered,
she ran totally amok,
she set a new world record
as she raced around the block.

Tillie's mouth was full of fire,
Tillie's eyes were red with tears,
she was smoking from her nostrils,
she was steaming from her ears,
she cooled off an hour later,
showing perfect self-control
as she said, "What tasty chili,
I should like another bowl."

in 1896, a runner in the marathon was disqualified after
using a horse and carriage to take a short cut.

BURNHAM JOGGERS AT CLIVEDEN.

I went to Cliveden this week to give The proceeds of the New Year C.C. race to Don Kennedy. He has agreed that we can have the same arrangements for that race and the Target Zero again this year.

There has been a lot of trespass, vandalism and theft on the estate recently so when we run there this season we must obey a few simple rules.

As before, we should not run close to the main house.

Club colours should be worn for easy identification.

We must always enter and leave by the main gate, even if we run up to the estate.

No running in the formal gardens.

The season starts when the clocks go forward and we can run at the following times.

Sundays 9-11a.m. Tuesdays and Thursdays 7-9p.m.

While the festival is on 24th June - 10th July we should not run there on Tuesdays and Thursdays.

Over the years some of the paths have become dangerous or impassable. On the 23rd of March I am going there to start clearing some of those paths. If anyone would like to join me we will meet in the car park at 9.0 a.m. Tools will be supplied. Please let me know before hand if you are coming. Opening up some of our old paths and some that have not been used for years will make our running there even tougher and more interesting.

Bob Lewer.

Did you know,

A British soldier walked non stop for 6 days 10 hours and 22 minutes. Now will you stop moaning about marathon training.
